MARINE EXPLORER REQUIREMENTS

1. A fully completed application form is required.
2. We will verify your insurance and claims history on receipt of the application form.
All claims including repudiated claims and losses not claimed for must be disclosed in writing on the application form.
3. Client will become an automatic member of the Cross Country All Terrain Club on inception of the policy. Client may opt out at his / her request.
4. This quotation is based on full disclosure of all information. Should the information on the application form differ, this may result in the premium being altered or the policy being declined.
5. We require copies of the following documentation within 15 days of inception of the policy:
 - 5.1 Proof of purchase of the vessel, jet ski and motor/s:
 - 5.2 Skippers licence
 - 5.3 Valid Certificate of Fitness
 - 5.4 Buoyancy Certificate
 - 5.5 Survey report if the vessel is older than 10 years
 - 5.6 Detailed time and date stamped colour photographs of the vessel or jet ski including motors, deck, consol and sides.
6. For all marine accessories and All Risk items, a detailed list with values must be attached to the application form in order to be noted on the schedule and for cover to be in place.
7. When upgrading the motors, proof of purchase, serial numbers and colour, time and date stamped photographs must be provided.
8. In the event of a claim, proof of purchase will be requested in respect of all insured items. Failure to produce such documentation may result in your claim being rejected.
